About

This document has been generated using the online XGSL compiler at http://xgsl.fisch.lu

All songs have been found freely somewhere on the internet and transcripted into the "eXtensible Guitar Song Language" (XGSL) to enable automatic document generation and facilitate maintenance. Most of them have been rearranged and heavily modified.

The XGSL format has been defined in 2003 by Bob Fisch, who wrote an editor and PDF builder in Delphi 6. In 2014 he implemented a PHP based web version with a MySQL database allowing to import the XGSL format, edit songs and also produce nice PDF documents.

1000 und 1 Nacht — Klaus Lage

Capo: 2

Strophe 1

```
    Em           Em         D          G
Du wolltest Dir bloss den Abend vertreiben,
     Em             Em              D             Em
Und nicht grad allein geh'n und riefst bei mir an.
    Em           Em          D             G
Wir waren nur Freunde und wollten's auch bleiben,
    C              G                D       Em
Ich dacht nicht im Traum, dass was passieren kann.
    G              D          C             G
Ich weiss nicht, wie ewig wir zwei uns schon kennen.
      C              G              C         D
Deine Eltern sind mit meinen damals Kegeln gefahrn,
     G          D                  Am        G
Wir blieben zu Haus, Du schliefst ein vorm Fernsehen.
     C              Em        A7        C
Wir war'n wie Geschwister in all den Jahr'n.
```

Refrain

```
G              G      D                       Em
Tausend mal berührt, tausend mal is nix passiert.
Am               D  -  Dsus4      Em             D - Em
Tausend und eine Nacht und es hat Zoom gemacht.
```

Strophe 2

```
  Em          C             D            G
Erinnerst Du Dich, wir ham Indianer gespielt,
    C      Am             Bm        Em
Und uns an Fasching in die Bühne versteckt,
    Em              C              D         G
Was war eigentlich los, wir ham nie was gefühlt
   C           Am             Bm        Em
So eng nebeneinander und doch gar nix gecheckt.
    G          D            C             G
War alles ganz logisch, wir kennen uns zu lange,
    Am       G             C           D
Als dass aus uns noch mal irgend was wird,
    G             D                    C         G
Ich wußt wie Dein Haar riecht, und die silberne Spange
     C              Em              A         C
Hatt ich doch schon tausendmal beim Tanzen berührt.
```

Refrain

Strophe 3

```
      Em        C               D            G
Oh, wie viele Nächte wußt ich nicht was gefehlt hat.
    C           Am          Bm           Em
War nie drauf gekommen, denn das warst ja du,
    Em           C                   D       G
Und wenn ich dir oft von meinen Problemen erzählt hab,
     C          Am                    Bm      Em
Hätt ich nie geahnt, du warst der Schlüssel dazu.
        G     D                 C       G
Doch so aufgewühlt hab ich dich nie gesehen,
   Am           G                C           D
Du liegst neben mir, und ich schäm mich fast dabei,
    G            D                  C       G
Was war bloß passiert, wir wollten tanzen gehen,
      C            Em            A         C
Alles war so vertraut und jetzt ist alles neu.

Elle voit son corps qui se réveille
Elle arrachait tous ses vêtements
Par quelques gestes élégants
Il posa ses mains sur elle a rougi
Il a tout voulu et on l'a puni
Elle caressa en douceur
Comme pour oublier sa douleur
Et il l'a prise dans ses bras
Car elle avait un peu froid
A cet instant et à chaque fois
Elle voudrait le revoir au moins trois nuits, trois nuits, trois nuits

Verse 1

```
          Em                 D/F#
On the first part of the journey,
          Em                 D/F#
I was looking at all the life.
                Em                 D/F#
There were plants and birds and rocks and things,
             Em                 D/F#
There was sand and hills and rings.
         Em                     D/F#
The first thing i met was a fly with a buzz
              Em          D/F#
And the sky with no clouds.
         Em                 D/F#
The heat was hot and the ground was dry,
            Em              D/F#
But the air was full of sounds.
```

Chorus

```
          Em9                          Esus4
I've been through the desert on a horse with no name,
            Em9                    Esus4
It felt good to be out of the rain.
          Em9                 Esus4
In the desert you can't remember your name
                Em9                    Esus4
'Cause there ain't no one for to give you no pain.
Em9       Esus4              Em9   Esus4
 La la, la la    la la la, la la la, la la.
Em9       Esus4              Em9   Esus4
 La la, la la    la la la, la la la, la la.
```

Verse 2

```
          Em               D/F#
After two days in the desert sun,
       Em                D/F#
my skin began to turn red
          Em                D/F#
After three days in the desert fun,
          Em                 D/F#
I was looking at a river bed.
            Em                 D/F#
And the story it told of a river that flowed
             Em                 D/F#
Made me sad to think it was dead.

Em                      G                D
Alle singen mit, ganz laut im Chor das geht in's Ohr.
        C               G          C               G

Strophe 1
Am C
Hab' die ganze Welt geseh'n,
G Am
von Singapur bis Aberdeen.
C
Wenn ihr mich fragt, wo's am schönsten war,
G Am
dann sag ich: Sansibar!

Strophe 2
C
Es war 'ne harte Überfahrt,
G Am
zehn Wochen nur das Deck geschrubbt;
C
Hab' die Welt verflucht, in den Wind gespuckt
G Am
und salziges Wasser geschluckt.

Strophe 3
Am C
Als wir den Anker warfen, war es himmlische Ruh'
G Am
und die Sonne stand senkrecht am Himmel.
C
Als ich über die Reling sah, da glaubte ich zu träumen:
G Am
Da waren tausend Boote, die hielten auf uns zu.

C
In den Booten waren Männer und Frauen,
G Am
ihre Leiber glänzten in der Sonne.
Und sie sangen ein Lied,
C
daß kam mir seltsam bekannt vor,
G Am
aber so hab ich's noch nie gehört,
C G Am
uuuh so hat' ich's noch nie gehört.

Refrain
Am C G Am
Aloha-heja-he Aloha-heja-he Aloha-heja-he

Aloha-heja-he Aloha-heja-he Aloha-heja-he

Strophe 4
Am C
Ihre Boote machten längsseits fest
G Am
und mit dem Wind wehte Gelächter herüber.
C
Sie nahmen ihre Blumenkränze ab
G Am
und warfen sie zu uns herüber-
C G Am
hey- und schon war die Party im gange.

Refrain

Strophe 5
Am C
Ich hab das Paradies geseh'n,
G Am
es war um neunzehnhundertzehn.
C
Der Steuermann hatte Matrosen am Mast und den
G Am
Zahlmeister ha'm die Gonokocken vernascht.
C G Am
Aber sonst war'n wir bei bester Gesundheit.

Verse 2

Tu dis qu'c'est pas mon rôle de parler de tout ça
Qu'avant d'prendre la parole il faut aller là-bas
Tu dis qu'c'est trop facile, tu dis qu'ça sert à rien
Mais c't'encore plus facile de ne parler de rien

Verse 2

Pendant qu'le monde avance, tu trouves pas bien tes mots
T'hésites entre tout dire et un drôle de silence
T'as du mal a partir, alors tu joues l'innocence

That one last shot's a permanent vacation

Life's a journey not a destination

I was out on the street, just tryin' to survive

A              (Asus4)   A            (Asus4)
 Winding your way down on Baker Street
A              (Asus4)  A              (Asus4)
 Lite in your head, and dead on your feet
        Em                  G
Well an- other crazy day, you drink the night away
         D           (Dsus4)  D
And for- get about e- very- thing
A               (Asus4)    A               (Asus4)
 This city desert makes you feel so cold, it's got
A             (Asus4)   A          (Asus4)
 So many people but it's got no soul
       Em                   G
And it's taken you so long to find out you were wrong
        D                (Dsus4)    D
When you thought it held e- very- thing

 And when you wake up it's a new mor-      ning
F                           Am  (Asus2)  Am
 The sun is shining it's a new   mor-     ning

              Am          G                    C                  D
Wir sind uns vorher nie begegnet, doch ich hab dich schon lang vermißt.
              Am              G                        C                 D
Auch wenn ich dich zum ersten Mal hier treff, ich wusste immer wie du aussiehst.
     Am                  F                   D          C      C/B
Mit dir will ich die Pferde stehlen, die uns im Wege sind
    Am                   F                        D           E
Ich geh mit dir durch dick und dünn, bis an das Ende dieser Welt
```

Refrain

```
            C                Am                F
Leg deinen Kopf an meine Schulter, es ist schön, ihn da zu spüren
          C      F             G                  C            Am
Und wir spielen Bonnie und Clyde. Komm, wir klauen uns ein Auto
     F                                C      F           G
Ich fahr dich damit rum, und wir spielen Bonnie und Clyde
```

Strophe 2

Was wir zum Leben brauchen, werden wir uns schon irgendwie holen.
Wir rauben ein paar Banken aus oder einen Geldtransport.
Wir schießen 2, 3, 4, 5 Bullen um, wenn es nicht mehr anders geht.
Jeder weiß genau, was er da tut, wenn er uns aufhalten will.

Refrain

Leg deinen Kopf an meine Schulter, es ist schön, ihn da zu spüren.
Und wir spielen Bonnie und Clyde, auch wenn uns die ganze Welt verfolgt.
Wir kümmern uns nicht drum, denn wir sind Bonnie und Clyde.

Strophe 3

Wenn uns der Boden unter den Füßen brennt, machen wir uns aus dem Staub.
In den Bergen hängen wir alle ab, die etwas von uns wollen.
Lebendig kriegen sie uns nie, egal wieviel es sind.
Tod oder Freiheit soll auf unserm Grabstein stehen.

Refrain

Leg deinen Kopf an meine Schulter, es ist schön, ihn da zu spüren.
Und wir spielen Bonnie und Clyde, komm wir Bomben uns durchs Leben
und öffnen jede Tür denn wir sind Bonnie und Clyde.

Refrain

Leg deinen Kopf an meine Schulter, es ist schön, ihn da zu spüren.
Und wir spielen Bonnie und Clyde. Unsere Liebe soll ein Sprengsatz sein,
der ständig explodiert. Du bist Bonnie, ich bin Clyde.

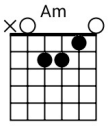
Bring me to life — Evanescence



Intro

Verse 1

Bow can you see into my eyes
E5 (Echo Fade)
like open doors.
Leading you down into my core
E5
where I've become so numb.
C5
Without a soul
E5
my spirit's sleeping somewhere cold
C5 B5
until you find it there and lead it back home.

Chorus

E5
Wake me up.
Wake me up inside.
A5
I can't wake up.
Wake me up inside.
D5
Save me.
C5 B5
Call my name and save me from the dark.
E5
Wake me up.
Bid my blood to run.
A5
I can't wake up.
Before I come undone.
D5
Save me.
C5 B5
Save me from the nothing I've become.

Verse 2

Now that I know what I'm without
you can't just leave me.

Breathe into me and make me real

Candle in the wind — Elton John

Verse 1

```
 E                                  A
Goodbye Norma Jean, though I never knew you at all
                    E                                        A
You had the grace to hold yourself while those around you crawled
                         E                                        A
They crawled out of the woodwork and they whispered into your brain
                    E                                        A
They sent you on a treadmill and they made you change your name
```

Chorus

```
        B                B7
And it seems to me you lived your life
        E              A
Like a candle in the wind
        E              E                B
Never knowing who to cling to when the rain set in
       A                        A                      C#m
And I would have liked to've known you but I was just a kid
      C#m                B                A                E
Your candle burned out long before your legend ever did
```

Verse 2

```
 E                                          A
Loneliness was tough, the toughest role you ever played
                    E                                        A
Hollywood created a superstar and pain was the price you paid
                  E                                      A
And even when you died, oh, the press still hounded you
                    E                                      A
All the papers had to say was that Marilyn was found in the nude
```

Verse 3

```
 E                                  A
Goodbye Norma Jean, though I never knew you at all
                    E                                        A
You had the grace to hold yourself while those around you crawled
 E                                              A
Goodbye Norma Jean, from a young man in the twenty second row
                                  E                                      A
Who sees you as something more than sexual, more than just our Marilyn Monroe
```

We had nights of endless music
C G D
We were dizzy dancing 'til the dawn

But maybe that was someone else's song

Pre-Chorus

Am Em
Back to Earth again
C Am
You knew where this was headed and honestly you're better off
Em D
Better here where you belong

Chorus

You got caught up in the colors
D Em
You got wrapped up in the ride
C G
You thought the feeling was forever
D Em
And the stars were on your side

It was lovely while it lasted
B7 Em
But it wasn't meant to stay
C D Em
Still, you let yourself get carried away
C G
I guess I let myself get carried away

We got carried away, carried away
C G D
Got carried away, carried away

Verse 2

Em G
So we got mixed up in the madness
C G
But wasn't it a perfect mess we made?
Em D G
Well you live and you learn, you read signs and it's safe and it's simple
C D
And behind our walls we fall back into place

Pre-Chorus

Am Em
Back to Earth again
C Am
You're through with pretending 'cause this is how the ending goes
Em D
Now you're here where you belong

Cette année là — Claude François

Couplet 1

```
          Do Fa
Cette année-là
       Sol7           Do    Fa
Je chantais pour la première fois
     Sol           Do       Fa
Le public ne me connaissait pas
         Sol              Do
Quelle année, cette année-là
```

Couplet 2

```
          Do Fa
Cette année-là
          Sol7           Do       Fa
Le rock'n'roll venait d'ouvrir ses ailes
            Sol              Do           Fa
Et dans mon coin je chantais "belle, belle, belle"
      Sol          Do Fa Sol
Et le public aimait ça
  Rém Fa          Fa7M            Lam          Sol
Déjà, les Beatles étaient quatre garçons dans le vent
   Rém  Fa                              Sol
Et moi, ma chanson disait "Marche tout droit"
```

Couplet 3

Cette année-là
Quelle joie d'être l'idole des jeunes
Pour des fans qui cassaient les fauteuils
Plus j'y pense et moins j'oublie
J'ai découvert mon premier, mon dernier amour
Le seul, le grand, l'unique et pour toujours le public

Couplet 4

Cette année-là
Dans le ciel passait une musique
Un oiseau qu'on appelait Spoutnik
Quelle année, cette année-là
C'est là qu'on a dit adieu à Marilyn au coeur d'or
Tandis que West Side battait tous les records.

Couplet 4

Cette année-là
Les guitares tiraient sur les violons
On croyait qu'une révolution
Arrivait cette année-là
C'était hier, mais aujourd'hui rien n'a changé
C'est le même métier qui ce soir recommence encore
C'était l'année soixante deux x4

Chanter pour ceux qui sont loin de chez eux — Michel Berger

Couplet 1

```
Am      G                  F
Celui-là passe toute la nuit
    Em           Dm
A regarder les étoiles
       Em7                    B7-5dim
En pensant qu'au bout du monde
                              E4-3
Y'a quelqu'un qui pense à lui
```

Couplet 2

```
Et cette petite fille qui joue
Qui n'veut plus jamais sourire
Et qui voit son père partout
Qui s'est construit un empire
```

Pont

```
           Am
Où qu'ils aillent
         F              E
Ils sont tristes à la fête
           Am
Où qu'ils aillent
         F                  E
Ils sont seuls dans leur tête
```

Refrain

```
                        Am  G  F
Je veux chanter pour ceux
                        Am  G  F
Qui sont loin de chez eux
                         Am  G  F
Et qui ont dans leurs yeux
                          E
Quelque chose qui fait mal, qui fait mal
                        Am  G  F
Je veux chanter pour ceux
                      Am  G  F
Qu'on oublie peu à peu
                           Am  G  F
Et qui gardent au fond d'eux
                          E
Quelque chose qui fait mal, qui fait mal
```

Couplet 3

```
Qui a volé leur histoire ?
Qui a volé leur mémoire ?
Qui a piétiné leur vie
Comme on marche sur les miroirs ?
```

Couplet 4

```
Celui-là voudra des bombes
Celui-là comptera les jours
En alignant des bâtons
Comme les barreaux d'une prison

Cordula Grün — Josh

Verse 1

```
          C                              C
Sie hieß Cordula Grün, ich hab' sie tanzen geseh'n,
          C                              C
dann hab ich sie noch gefragt, ob sie morgen mit mir
        F                              C
einen Tee trinken mag - oder ein Fruchtkonzentrat.
```

Verse 2

```
       C                                C
Wer zuerst geht verliert, hat sie dann abends skandiert,
          C                                C
aus uns'rem Tee wurde Bier, zwei große Schnaps und sie sagt:
              F                                C
Komm mit nach Hause zu mir, mein Mann wohnt eh nicht mehr hier.
```

Pre-Chorus

```
         Am                               Am
In der Bim, über'n Ring, steh ich auf und ich sing ihr ein
 G                              Am                    Am
Liebeslied. Ihr graut vor Kitsch-Poesie, mit Refrain, Mimimi,

Chorus

Verse 3

```
                C                                  C

                C                                  C
ich bin und bleib Optimist, selbst wenn sie mir verschwieg,
                F                                  C

Country roads — John Denver

Verse 1

A F#m
Almost heaven, West Virginia,
E D A
Blue Ridge Mountains, Shenandoah River.
A F#m
Life is old there, older than the trees,
E D A
Younger than the mountains growin' like a breeze

Chorus

A E
Country Roads, take me home
F#m D
To the place I belong:
A E
West Virginia, mountain momma,
D A
Take me home, Country Roads.

Verse 2

A F#m
All my mem'ries gather 'round her,
E D A
Miner's lady, stranger to blue water.
A F#m
Dark and dusty, painted on the sky,
E D A
Misty taste of moonshine, teardrop in my eye.

Chorus

A E
Country Roads, take me home
F#m D
To the place I belong:
A E
West Virginia, mountain momma,
D A
Take me home, Country Roads.

Bridge

F#m E A
I hear her voice, in the mornin' hours she calls me,
D A E
The radio reminds me of my home far away,
F#m G
And drivin' down the road
D A E E7
I get a feelin' that I should have been home yesterday, yesterday.

Chorus

A E
Country Roads, take me home
F#m D
To the place I belong:
A E
West Virginia, mountain momma,
D A
Take me home, Country Roads.

Outro

Verse 1
Zwee Kinekskanner, déi trei sech léif,
koumen ausenaner wäit an déif.
Zwee Kinekskanner, déi trei sech léif,
hu gebaangt ob d'Gléck nach bléie géif.
Haut weise si der ganzer Welt
an engem Feld
d'Goldlilje mat dem roude Kroune léiw.
Haut steet em si voll Freed, Hand an Hand,
d'Vollek vun dem Letzebuerger Land.

Verse 2
Nun ass verbäi de Stuerm, d'Nout ass aus
D'Menschheet trett erléist an d'Liicht eraus.
Nun ass verbäi de Stuerm, d'Nout ass aus
Letzebuer ass Här am eeg'nen Haus.
Den Himmel huet no laanger Nuecht
D'neit Fréijor bruecht
A rescht all Dir mat grénger Friddensstrauss.
Lo steet erem sou frou, Hand an Hand
Grouss a Kleng am Letzebuerger Land

Verse 3
Mir hunn a schwéi'rer Zäit Trei bekannt
't gong fir d'Fräiheet an et gong fir d'Land
Mir hunn a schwéi'rer Zäit Trei bekannt
'Éier agesat zum Ennerpand.
A wann eng nei Gefor en dreet
Mir si bereet
Mir hale nees mat Häerz a Welle stand.
Da steet 'rem staark a stolz, Hand an Hand
D'Vollek vun dem Letzebuerger Land.

Verse 4

Voll Vertraue Gléck an Ongléck dro'n.
Sou wäert et emmerzou eeneg sto'n
Frou seng Flicht géint Troun an Heemescht do'n
E staarke Stamm an aller Äerd
An duebel wäert

An d'Kanner lossen hire Kaffi ston
Fir dénen schéinen Hämmel nozegon
Wou d'Musek ass déi spilt sou löschteg d'Gaassen an,
Fir bei all grouss Häre an der Stad hir Ronn ze ma'n, hir Ronn ze ma'n.

D'Leit si gebotzt an si hun hir schéinste Kléder un,
D'Kamäiner dämpen, d'Kàchen, déi sin drun,

Si le ciel a un enfer
Le ciel peut bien m'attendre
Dis moi,
Dans ces vents contraires comment s'y prendre
Plus rien n'a de sens, plus rien ne va

On chauffera nos gamelles sur des feux de bois
On fera des cerfs-volants pour aller plus loin
Quand on aura vingt ans en l'an 2001

Refrain

J'aurai bien des tourments, tu n'en sauras rien
Quand t'auras tes vingt ans en l'an 2001
Petit bonhomme
Tu veux tout faire comme t'en as envie
Vivre au maximum
Brûler ta vie sans savoir où tu vas
Petit bonhomme
Partir sans rien savoir
C'est un peu comme marcher dans la nuit noire
Petit bonhomme
Et dire que j'ai fait comme toi

Couplet 4

On se fera des igloos, on mangera des phoques
Et on plantera des clous en plein dans le roc
On n'aura plus de gants, on aura nos poings

Maybe together we can get somewhere.

Starting from zero, got nothing to lose.
Cmaj7              G*
Maybe we'll make something,

Me myself, I got nothing to prove.

Cmaj7          G*

Em7             Dadd11
I got a plan to get us out of here:
      Cmaj7               G*
I been working at the convenience store,
Em7                    Dadd11
Managed to save just a little bit of money.

Em7                        Dadd11
Just 'cross the border and into the city,
Cmaj7          G*
You and I can both get jobs

And finally see what it means to be living.

He lives with the bottle, that's the way it is.
            Cmaj7                 G*
He says his body's too old for working,
    Em7                  Dadd11
His body's too young to look like his.

My mama went off and left him,

she wanted more from life than he could give,
        Cmaj7                     G*
I said, "Somebody's got to take care of him."
   Em7                       Dadd11
So I quit school and that's what I did.

```
                  G                              Am
Let's dance in style, let's dance for a while
             F                                   G
Heaven can wait, we're only watching the skies

Hoping for the best, but expecting the worst
                                Am          G   C
Are you going to drop the bomber not?
```

Verse 2

Let us die young or let us live forever
We don't have the power, but we never say never
Sitting in a sandpit, life is a short trip. The music's for the sad men

Verse 3

Can you imagine when this race is won?
Turn our golden faces into the sun
Praising our leaders, we're getting in tune. The music's played by the madmen

Chorus

```
        C       G                  Am          F

Do you really want to live forever,    forever young?
```

verse 4

Some are like water, some are like the heat,
some are a melody and some are the beat
Sooner or later, they all will be gone, why don't they stay young?

Verse 5

It's so hard to get old without a cause,
I don't want to perish like a fading horse
Youth's like diamonds in the sun and diamonds are forever

Verse 6

So many adventures couldn't happen today,
So many songs we forgot to play
So many dreams swinging out of the blue, we'll let them come true

Verse 1

```
          Bm                                                  G     A     D
Es war schon dunkel, als ich durch die Vorstadtstrassen heim-waerts ging.
                                                          Em       A
Da war ein Wirtshaus aus dem das Licht noch auf den Gehsteig schien.
            Bm              F#7                  Bm
Ich hatte Zeit und mir war kalt, drum trat ich ein.
              Bm                                G     A     D
Da sassen Maenner mit braunen Augen und mit schwar-zem Haar
                                                      Em       A
und aus der Jukebox erklang Musik die fremd und suedlich war.
       Bm    F#7                  Bm
Als man mich sah, stand einer auf und lud mich ein.

Refrain

G                                                     D
Griechischer Wein ist so wie das Blut der Erde, komm schenk dir ein,

G                                                     D
Griechischer Wein und die altvertrauten Lieder, schenk noch mal ein,

von alten Haeusern und jungen Frauen, die al-leine sind

D                                           Em       A

               Bm             F#7                  Bm
und bald denkt keiner mehr da-ran, wie es hier war.

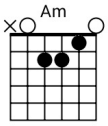
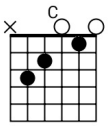
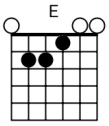
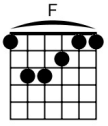
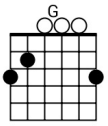
Hallelujah — Leonard Cohen











Verse 1

```
      C                    Am
Now I've heard there was a secret chord
     C                    Am
That David played and it pleased the Lord
    F                  G                 C        G
But you don't really care for music, do you?
   C                     F            G
It goes like this, the fourth, the fifth,
    Am                 F
The minor fall, the major lift,
    G                  E             F
The baffled king composing, Hallelujah.
```

Chorus

```
     F             Am          F
Hallelujah, Hallelujah, Hallelujah,
     C  G C     G
Hallelu - jah.
```

Verse 2

```
     C                          Am
Your faith was strong but you needed proof,
    C                 Am
You saw her bathing on the roof:
    F                 G                 C         G
Her beauty and the moonlight overthrew you.
    C                F        G
She tied you to a kitchen chair,
    Am                           F
She broke your throne, and she cut your hair,
    G                  E                Am
And from your lips she drew the Hallelujah.
```

Chorus

```
     F             Am          F
Hallelujah, Hallelujah, Hallelujah,
     C  G C     G
Hallelu - jah.
```

Verse 3

```
    C               Am
You say I took the name in vain,
      C             Am
Though I don't even know the name,
    F               G                 C         G
But if I did, well really, what's it to you?
          C                 F     G
There's a blaze of light in every word,
   Am                F
It doesn't matter which you heard:
    G            E            F
The holy or the broken Hallelujah.
```

Chorus

```
     F             Am          F
Hallelujah, Hallelujah, Hallelujah,
     C  G C     G
Hallelu - jah.
```

Verse 4

```
  C                Am
I did my best, it wasn't much,
  C                   Am
I couldn't feel so I tried to touch.
     F                   G                C           G
I've told the truth, I didn't come to fool you.
    C                 F        G
And even though it all went wrong
     Am                 F
I'll stand before the Lord of Song
     G                E                  F
With nothing on my tongue but Hallelujah.
```

Is that everything's gonna be fine, fine, fine
                 G6                     G6
Cause I got one hand in my pocket

And the other one is givin' a high five

Instructions
Everything before the chorus is building up tension very slowly.
The chorus is the highlight so the verse after it starts really clam again.
The song ends quite abruptly with a single hit of the last chords.

             D                           B
denn        nachher ist man bekanntlich,  immer gescheiter.
             Em                          C
Doch so einfach wie das klingt, war es  dann aber nicht,

Oder      vielleicht gar nicht erst       eingreifen sollen?
          Em                              C
Es         ist aber passiert und          egal wie ich es dreh,

Verse 10 (piano only)

```
             Em                              C

             D                               B
Denn hier   draussen in der richtigen Welt erlitt er nur Scham.
             Em                              C
Hatte        keine Superkräfte, war nur     super deprimiert
             Em                              B

kann dort     alles tun und lassen, niemend  ist da empört.
              Em                         C
Und          wenn er wieder raus will weiß  ich mich nun zu weheren,

Intro

[TEMPO OF THE SONG: SLOW ~75bpm]

Am / E7 / G / D / F / C / Dm / E

Am / E7 / G / D / F / C / Dm / E

Verse 1

Am / E7 /
On a dark desert highway, cool wind in my hair
G / D /
Warm smell of colitas rising up through the air
F / C /
Up ahead in the distance, I saw a shimmering light
Dm / E /
My head grew heavy and my sight grew dim I had to stop for the night
Am / E7 /
There she stood in the doorway I heard the mission bell
G / D /
And I was thinking to myself this could be heaven or this could be hell
F / C /
Then she lit up a candle, and she showed me the way
Dm / E /
There were voices down the corridor, I thought I heard them say

Chorus

F / C /
Welcome to the Hotel California.
Dm / Am7 /
Such a lovely place, such a lovely face
F / C /
Plenty of room at the Hotel California
Dm / E /
Any time of year (any time of year) you can find it here

Verse 2

Am / E7 /
Her mind is Tiffany twisted, she got the Mercedes Benz
G / D /
She got a lot of pretty, pretty boys that she calls friends
F / C /
How they dance in the courtyard, sweet summer sweat
Dm / E /
Some dance to remember, some dance to forget
Am / E7 /
So I called up the captain; "Please bring me my wine." (He said)
G / D /
"We haven't had that spirit here since nineteen sixty-nine"
F / C /
And still those voices are calling from far aw-a-y
Dm / E /
Wake you up in the middle of the night, just to hear them say

Chorus

F / C /
Welcome to the Hotel California.
Dm / Am7 /
Such a lovely place, such a lovely face
F / C /
Livin' it up at the Hotel California
Dm / E /
What a nice surprise (what a nice surprise) bring your alib - i - s

Verse 3

```
Am                  /       E7                    /
  Mirrors on the ceiling,    the pink champagne on ice
G                           /                D              /
  And she said "We are all just prisoners here,   of our own device"
F                       /       C                      /
  And in the master's chambers,   they gathered for the feast
Dm                      /                        E                      /
  They stab it with their steely knives, but they just can't kill the beast
Am                  /       E7                    /
  Last thing I remember,     I was running for the door
G                       /                   D              /
  I had to find the passage back to the place I was before
F                       /                   C              /
  "Relax" said the nightman, "We are programmed to receive"
Dm                      /                   E                    /

Hämmelsmarsch — Volleksweis / Michel Lentz

Verse 1

```
                G                D     G              D
't ass Kiermesdag, an eng Gei jéngt mueres an der Gas,
                                                      D7
't jäizt eng Klarinett an et brommt eng schaddreg Bass,
              G              D   G                 D
an d'Hämmel ginn derbäi mat Bänn a Flätschen un,
           G                      D7  G
blenkeg zënnen Plättlen an der Rei hannendru,
       D7      G
sinn hannen drun.
       G                    C
An d'Kanner loosen hiere Kaffi sto'n,
      Am                     D
fir deene schéinen Hämmel no ze goe'n,
       D7   G                 D   G                  D
wou d'Musek ass, déi spillt sou lëschteg d'Gaasen an,
         G                      D7   G
fir bei all grouss Häre an der Stad hir Ronn ze maa'n,
      D7      G
hir Ronn ze maa'n.
```

Verse 2

D'Leit si gebotzt a si hunn hir schéinste Kleeder un,
d'Kamäiner dämpen, d'Kächen, déi sinn drunn,
d'Pan an der Fuesend, déi ass net esou geplot,
well et ass haut net genuch mat engem Hämmelbrot
a mat Zalot.
An aus der Friemd sinn d'Letzebuerger do,
op d'Kiermes kommen si vu wäit an no,
't ass aus der Heemscht keen, a wir en iwwer d'Mier,
op de Schubersonndeg, 't ass gewëss, dann denkt en hier,
dann denkt en hier.

Verse 3

Hunn d'Hemmel dann d'Musikanten d'Neipuert ausgeleet,
mam Fouermeeschter voll Gleckséilegkeet,
da sëtzen d'Leit um Dësch mat hiere Kiermesgäscht,
d'Tell're klénken, jiddereen, deen deet säi meescht, säi bäscht,
säi meescht, säi bäscht.
D'Gemiitlechkeet, déi schenkt en d'Glieser an,
an d'Leschtegkeet, déi blénkt aus allen A'n,
De Quetschekuch, dee schmaacht ewéi de bäschte Bond,
d'Fra vum Haus ass frou, well alle Mënsch e gutt huet fond,
e gutt huet fond.

Verse 4

An d'Schuermëss, déi ass ann an hirem volle Glanz:
d'Trompett an d'Gei déi ruffe bei den Danz:
grouss Schëlter op de Lietsche gi wëll Déieren un,
wouvun ass s'am ofsten net en Hor dobannen hunn,
dobannen hunn.
Hei weisen si e Ris, dee Sable frësst,
an do e schwaarze Mann, deen Tubak ësst;
all Wonner vun der Welt, déi ka mer hei gesinn,
Nëmmen net e Mënsch, deen iech fir näischt géif eppes ginn,
géif eppes ginn.

Adventure seeker on an empty street,
             A                    Bm    A
Just an alley creeper, light on his feet,
               Bm                          G
A young fighter screaming, with no time for doubt
                    A                          Bm   A
With the pain and the anger can't see a way out,

Ich hab keine reiche Freundin

Von viel Kohle hab ich bisher
 G
Leider nur geträumt
```

Strophe 2

```
Was soll ich tun?
Was soll ich machen?
Bin vor Kummer schon Erbkrank
Bab mir ein paar mal überlegt
Vielleicht knackst du eine Bank
Doch das ist leider sehr gefährlich
Bestimmt wird ich gefasst
Und außerdem bin ich doch ehrlich
Und will nicht in den Knast
```

Refrain

Strophe 3

```
Es trifft so viele reiche Witwen
Die begehr'n mich sehr
Sie sind so scharf auf meinen Körper
Doch den geb ich nicht her
Ich glaub das würd ich nicht verkraften
Um keinen Preis der Welt
Deswegen werde ich lieber Popstar
Und schwimm in meinem Geld

    D                         G             D/F#
Les rêves de sa vie, les prisons de son coeur,

Inspiré jour après jour de son souffle et de ses cris,

Verse 1

                          G
Mon enfant, nue sur les galets,
                          D
Le vent dans tes cheveux defaits,
                          C
Comme un printemps sur mon trajet,
                     Emadd9 Em
Un diamant tombe d'un coffret.
                     G
Seule la lumiere pourrait
                    D
Defaire nos reperes secrets
                               C
Ou mes doigts pris sur tes poignets,
                                        Emadd9 Em
Je t'aimais, je t'aime et je t'aimerai...

Nu sur les galets...
```

Verse 2

```
Le ciel prétend qu'il te connait
Il est si beau c'est surement vrai.
Lui qui s'approche jamais -
Je l'ai vu pris dans tes filets.
Le monde a tellement de regrets
Tellement de choses qu'on promet.
Une seule pour laquelle je suis fait -
Je t'aimais, je t'aime et je t'aimerai...

Et juste en-dessous j'ecrirai
                          G              D

Le monde est pourtant pas si loin
On voit les lumières

"Plus qu'il ne peut ?"

Refrain x2

Elle a dit "finalement je brûle de tout savoir"
Et j'ai dit "Viens t'asseoir dans la cabane du pêcheur
Y'a sûrement de la place pour deux !
Cette route ne mène nulle part
Alors, viens faire toi-même
le mélange des couleurs
Sur les murs de la cabane du pêcheur
Viens t'asseoir"
Oh...
Elle m'a dit

Verse 1

```
          Am                '          G              '
Le vent souffle sur les plaines de la Bretagne armoricaine,
    F                   '              Em                  '
Je jette un dernier regard sur ma femme, mon fils et mon domaine.
Am                  '              G              '
     Akim, le fils du forgeron est venu me chercher,
F                   '              Em              '          Am
     Les druides ont décidé de mener le combat dans la vallée.
     '              G              '                  F
Là, où tous nos ancêtres, de géants guerriers celtes,
                    Em                              Am
Après de grandes batailles, se sont imposés en maîtres,
                          G
C'est l'heure maintenant de défendre notre terre
F                           Em
 Contre une armée de Cimmériens prête à croiser le fer.
Am                          G
Toute la tribu s'est réunie autour de grands menhirs,
F                           Em
Pour invoquer les dieux afin qu'ils puissent nous bénir.
Am                      G                                  F
 Après cette prière avec mes frères sans faire état de zèle,
                         Em                                 Am
Les chefs nous ont donné à tous des gorgées d'hydromel,
                 G
Pour le courage, pour pas qu'il y ait de faille,
F                                   Em
Pour rester grands et fiers quand nous serons dans la bataille
      Am                                    G
Car c'est la première fois pour moi que je pars au combat
     F                      Em                  Am          Am   Am
Et j'espère être digne de la tribu de Dana (Dana)(Dana)(Dana)
```

Chorus

```
Am            Am    G       F      Em
 Dans la vallée oh oh de Dana lalilala.
              Am    G           F     Em     Am
Dans la vallée oh oh j'ai pu entendre les échos.

 Dans la vallée oh oh de Dana lalilala.
              Am    G                   F        Em       Am

Verse 2

```
 Am                                G
Après quelques incantations de druides et de magie,
       F                                Em
Toute la tribu, le glaive en main courait vers l'ennemi,
      Am                               G
La lutte était terrible et je ne voyais que des ombres,
      F                               Em
Tranchant l'ennemi qui revenait toujours en surnombre.
      Am                                    G
Mes frères tombaient l'un après l'autre devant mon regard,
      F                                    Em
Sous le poids des armes que possédaient tous ces barbares,
     Am                                     G
Des lances, des haches et des épées dans le jardin d'Éden
    F                                  Em
Qui écoulait du sang sur l'herbe verte de la plaine.
      Am                             G
Comme ces jours de peine où l'homme se traîne
   F                        Em
A la limite du règne du mal et de la haine,
      Am                         G
Fallait-il continuer ce combat déjà perdu,
     F                           Em
Mais telle était la fierté de toute la tribu,
    Am                                 G
La lutte a continué comme ça jusqu'au soleil couchant,
   F                         Em
De férocité extrême en plus d'acharnement,
    Am                                    G
Fallait défendre la terre de nos ancêtres enterrés là
   F                           Em                 Am           Am    Am
Et pour toutes les lois de la tribu de Dana (Dana)(Dana)(Dana)
```

Chorus

Verse 3

```
    Am                          G
Au bout de la vallée on entendait le son d'une corne,
       F                   Em
D'un chef ennemi qui rappelait toute sa horde,
 Am                               G
Avait-il compris qu'on lutterait même en enfer
   F                          Em
Et qu'à la tribu de Dana appartenaient ces terres.
    Am
Les guerriers repartaient,
   G                     F                                   Em
Je ne comprenais pas tout le chemin qu'ils avaient fait pour en arriver là,
       Am                        G
Quand mon regard se posa tout autour de moi,
   F                             Em
J'étais le seul debout de la tribu voilà pourquoi.
    Am                           G
Mes doigts se sont écartés tout en lâchant mes armes
   F                                Em
Et le long de mes joues se sont mises à couler des larmes,
   Am                               G
Je n'ai jamais compris pourquoi les dieux m'ont épargné
   F                                Em
De ce jour noir de notre histoire que j'ai contée.
   Am                             G
Le vent souffle toujours sur la Bretagne armoricaine
   F                              Em
Et j'ai rejoins ma femme, mon fils et mon domaine,
     Am                                  G
J'ai tout reconstruit de mes mains pour en arriver là,

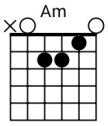
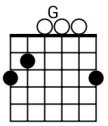
Lady in black — Uriah Heep





Verse 1

```
      Am                                  Am
She came to me one morning, one lonely Sunday morning,
     G                              Am
her long hair flowing in the mid-winter wind.
   Am                                  Am
I know not how she found me, for in darkness I was walking,
         G                                  Am
and destruction lay around me from a fight I could not win.
```

Chorus

```
Am     Am      G     Am
Ahahaaahaahah, Ahahaaahaahah
Am     Am      G     Am
Ahahaaahaahah, Ahahaaahaahah
```

Verse 2

She asked me name my foe then. I said the need within some men
to fight and kill their brothers without thought of men or god.
And I begged her give me horses to trample down my enemies,
so eager was my passion to devour this waste of life.

Verse 3

But she would not think of battle that reduces men to animals,
so easy to begin and yet impossible to end.
For she the mother of all men had counciled me so wisely that
I feared to walk alone again and asked if she would stay.

Verse 4

"Oh lady lend your hand," I cried, "Oh let me rest here at your side."
"Have faith and trust in me," she said and filled my heart with life.
There is no strength in numbers. I've no such misconceptions.
But when you need me be assured I won't be far away.

Verse 5

Thus having spoke she turned away and though I found no words to say
I stood and watched until I saw her black cloak disappear.
My labor is no easier, but now I know I'm not alone.
I find new heart each time I think upon that windy day.
And if one day she comes to you drink deeply from her words so wise.
Take courage from her as your prize and say hello for me.

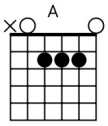
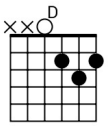
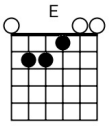
Living next door to Alice — Smokie







Verse 1

A
Sally called and she got the word.
D E A E
She said I suppose you've heard, about Alice.
A
When I rushed to the window, and I looked outside
D
I could hardly believe my eyes.
E A E
And the big limousine pulled up, in Alice's drive.

Chorus

A
Oh, I don't know why she's leaving, or way she's gonna go
D
I guess she's got her reasons but I just don't wanna know
E A E
cause for 24 years I've been living next door to Alice
A
24 years just waiting for the chance
D
to tell her how I feel and maybe get a second glance
E D A E A
Now I gotta get used to not living next door to Alice

Verse 2

A
We walked together, two kids in the park
D E A E
We inscribed our initials deep in the bark me and Alice
A
As she walks to the door with her head held high
D
just for a moment I caught her eye
E A E
As the limousine pulls out, of Alice's drive

Chorus

Verse 3

A
And Sally called back and asked how I felt
D E A E
And she said I know how to help, get over Alice
A
She said, now Alice is gone, but I'm still here
D E
you know I've been waiting for 24 years (PAUSE PLAYING)
And the big limousine disappeared.

All the ladies wanna have me,

I'm a sexmachine, baby,
I had more girls than James Brown,

Verse 4

But now the time has gone by

If I ripped my balls

I was also a Sheriff,
I was fighting for right.
I was protecting law and order
every day, every night.
I was hunting a man
with a big fat Bauch.
And I caught him in the back of a
Knallerbsenstrauch.

Verse 6

But now the story is over.
I had a good good life.
I still got my horse,
my boots and my knife.
I did a lot of travelling,
but now I settle down,
at the Knallerbsenstrauch
on the Maschendrahtzaun.

die ich dir bis dahin jedoch streng verbieten muss.

        E                        A
Was'n das für'n wundervoller Hintern,
       B                      E
Der da nebenan am Tresen steht.
         E                                A
Und der Typ, der da am Hintern noch mit dran ist,

Hat sich gerade zu mir umgedreht.
         A                      B
Und ich lächel' ihm zu, oh prima,
         A                    B
Den nehm' ich nach Hause mit,

Und laß' dem Mann den ersten Schritt.

So you face it with a smile

Now you shaped that liquid wax
F
Fit it out with crater cracks

Sweet devotion - my delight

Don't you ever let me down

no matter what they teach you, what you believe is true.

Chorus

D - D7 — G
And I will keep you safe and strong, and sheltered from the storm,

Verse 2

(cf. Chorus)

I'm sorry for the times that I didn't come home
Left you lyin' in that bed alone
Was flyin' high in the sky when you needed my shoulder
You're like a stone hangin' round my neck, see
Cut it loose before it breaks my back, see
I've gotta say what I feel before I grow older
I'm sorry but I ain't gonna change my ways
You know I've tried but I'm still the same
I've got to do it my own way

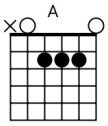
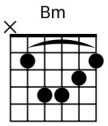
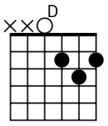
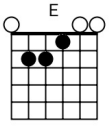
Octobre — Francis Cabrel

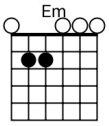
Capo: 2

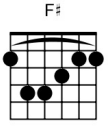


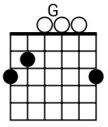


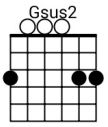












Couplet 1

D G
Le vent fera craquer les branches
D G
La brume viendra dans sa robe blanche
Bm
Y'aura des feuilles partout
E
Couchées sur les cailloux
G
Octobre tiendra sa revanche

Couplet 2

D G
Le soleil sortira à peine
D G
Nos corps se cacheront sous des bouts de laine
Bm
Perdue dans tes foulards
E
Tu croiseras le soir
G D
Octobre endormi aux fontaines

Refrain

G
Il y aura certainement,
A
Sur les tables en fer blanc
Bm G G2 G G/F#
Quelques vases vides et qui traînent
Em A G D
Et des nuages pris aux antennes
G
Je t'offrirai des fleurs
A
Et des nappes en couleurs
Bm G G2
Pour ne pas qu'Octobre nous prenne

Verse 3

On ira tout en haut des collines
Regarder tout ce qu'Octobre illumine
Mes mains sur tes cheveux
Des écharpes pour deux
Devant le monde qui s'incline

Refrain

Certainement appuyés sur des bancs
Il y aura quelques hommes qui se souviennent
Et des nuages pris aux antennes
Je t'offrirai des fleurs
Et des nappes en couleurs
Pour ne pas qu'Octobre nous prenne

Verse 4

Et sans doute on verra apparaître
Quelques dessins sur la buée des fenêtres
Vous, vous jouerez dehors
Comme les enfants du nord
Octobre restera peut-être.
Vous, vous jouerez dehors
Comme les enfants du nord
Octobre restera peut-être.

questo mondo è freddo ma rido e mi sento fortunato
Bm C~~
perché tutto ha un prezzo ma nulla vale quanto un tuo bacio

Chorus

Così quando sei giù di morale e io sono lontano a suonare
Bm C
la mia voce ti possa trovare e ti ricordi che sei speciale
G D
perchè quando ti ho accanto il mondo sembra meno bastardo
Bm C~
vorrei dirtelo ma non parlo e poi mi perdo in fondo al tuo sguardo
G D
così fragile così fiero così semplice così vero

da lasciarmi senza respiro in fissa con la faccia da scemo
G D
tu mi guardi con un sorriso e dici che mi manca qualche neurone
Bm C~~
io mi lascio prendere in giro e intanto penso a questa canzone

Refrain
D Em7
On s'était dit rendez-vous dans dix ans
D G
Même jour, même heure, mêmes peurs
Bm F#m
On verra quand on aura trente ans
G A7
Sur les marches d'la place des grands hommes

Verse 1
D Em7 D G
Le jour est venu et moi aussi, et j'veux pas être le premier
Bm F#m G A
Si on n'avait plus rien à s'dire et si, et si, j'fais des détours dans l'quartier
G D G
C'est fou c'un crépuscule de printemps, rappelle le même crépuscule d'y'a dix ans
Em D A7 A
Trottoirs usés par les regards baissés, qu'est-ce qu j'ai fais d'ces années
G A D G
J'ai pas flotté tranquille sur l'eau, j'ai pas nagé le vent dans l'dos
Em D Em7
Dernière ligne droite, la rue Souflot, combien seront là, 4, 3, 2, 1, 0 ?

Refrain
D Em7
On s'était dit rendez-vous dans dix ans
D G
Même jour, même heure, mêmes peurs
Bm F#m
On verra quand on aura trente ans
G A7
Sur les marches d'la place des grands hommes

Verse 2
D Em7 D G
J'avais eu si souvent envie d'elle, la belle Séverine me regardera-t-elle
Bm F#m G A
Eric voulait explorer l'subconscient, remonte-t-il à la surface de temps en temps
G D G
J'ai un peu peur de regarder l'miroir, si j'y allais pas j'me serais trompé d'un soir
Em D A7 A
Devant une vitrine d'antiquités, j'imagine les retrouvailles de l'amitié:
G A D G
T'as pas changé, qu'est-ce c'tu devient? Tu t'es mariée ta trois gamins
Am D Em
T'as réussi, tu fais médecin, et toi, Pascal, tu t'marres toujours pour rien ?

Refrain

Verse 3
J'ai connu des marées hautes et des marées basses, comme vous, comme vous, comme vous
J'ai rencontré des tempêtes et des bourrasques, comme vous, comme vous, comme vous
Chaque amour morte à une nouvelle a fait place, et vous, et vous, et vous
Et toi Marco, qui ambitionnait simplement, d'être heureux dans la vie
As-tu réussi ton pari ? Et toi François, et toi Laurence, et toi Marion,
Et toi Bruno, et toi Gégé, et toi Evelyne...
Eh bien c'est formidable, les copains, on s'est tout dit on s'serre la main
On peut pas mettre dix ans sur table, comme on étale ses lettres au Scrabble

Outro
Dans la vitrine je vois l'reflet, d'une lycéenne derrière moi
Elle part à gauche, je la suivrai, si c'est à droite... Attendez-moi !
Attendez-moi, attendez-moi, attendez-moi
Allez ciao!!!

Counplet 3

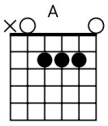
Y'en a qui ont fait des enfants
Y'en a d'autres qui ont dit "J'attends"
On a tous aimé des femmes
On s'est tous trouvé du charme

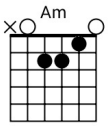
Counplet 4

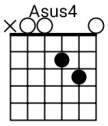
On est tous dev'nu quelqu'un
Dans son quartier ou plus loin
Bien sûr, on s'est perdus d' vue
Mais on n'appelait pas ça "perdu"

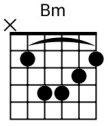
Counplet 5

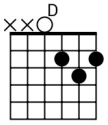
On traités d' tous les noms
On s'est tombés dans les bras
On a pas osé dire "non"
On a dit "oui" quand fallait pas
Ca n' nous a pas empêché
De continuer à s'aimer

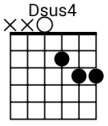


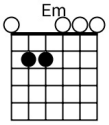


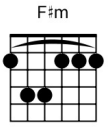


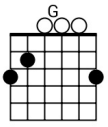












Refrain

```
        D               Bm
Pour la vie, c'est la vie
            G
Pour la vie qui nous change
    Em
Et qui dérange
           Asus4             A
Toutes nos grandes idées sur tout
Pour la vie, c'est la vie
Pour la vie qui décide
Et qui nous file des rides
Au coin des yeux et du coeur
```

Outro

Ca sert à rien
Chaque jour qui passe on apprend
Qu'on peut jouer sans être comédien
A quoi ça sert d'aller contre
Ca sert à rien
Chaque jour qui passe on apprend
Qu'on suit tous le même chemin

Verse 1

G          C                          G            C
Ev'ryone's beneath the trees, feeding pigeons on a limb

But when Quinn the Eskimo gets here,
        C                   G
All the pigeons gonna run to him.

G          C                    G                    C
Nobody can get no sleep, there's someone on ev'ryones toes.

Elle en a baisse des paupieres

A tant se pencher dans la poussiere

Elle prefere encore se taire
Et faire ce qu'elle a a faire

Interlude oriental

Couplet 3

Oh elle en a brise des silences
Poussé des cris contre des murs
Avec pour echos l'indifference
Et des rancunes encore plus dures
Comme aujourd'hui, si l'existence ici
Ne se limite qu'a la survie
Il faut savoir qu'une aile de papillon
Peut tout changer pour de bon

You can tell by the way she walks that she's my girl,
                     Am                                 C
you can tell by the way she talks she rules the world.
                   Em                                  D
You can see in her eyes that no one is her change,

she's my girl, my supergirl.
                 G                          D

but I'm a supergirl and supergirls just fly."
```

Verse 2

"When you're in love, what can be wrong?"
                  Em                              D
And then she'd laugh the night time into day,
              Am                C
pushing her fear further along.
                 G                          D

Une fille qui m'a dit je t'aime
Un soir où elle n'avait pas sommeil
Avant de partir le coeur en l'air

Sur les chemins de la bohême
J'ai parlé des langues étrangères
Mes pas poursuivaient un poême
Je me suis lavé à l'eau de mer
Avant de chanter des mots en l'air
Sur des musiques vagabondes

Sur les chemins de la bohême
On m'a chouravé ma guitare
Un vieil homme m'a donné la sienne
En me racontant son histoire
Et je lui dédierai cet air

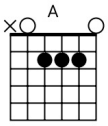
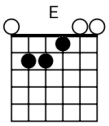
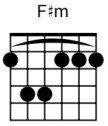
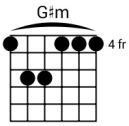
Suzanne — Leonard Cohen









Verse 1

E
Suzanne takes you down
E
to her place near the river
F#m
You can hear the boats go by
F#m
You can spend the night beside her
E
And you know that she's half crazy
E
But that's why you want to be there
G#m
And she feeds you tea and oranges
A
That come all the way from China
E
And just when you mean to tell her
F#m
That you have no love to give her
E
Then she gets you on her wavelength
F#m
And she lets the river answer
E
That you've always been her lover
G#m
And you want to travel with her
A
And you want to travel blind
E
And you know that she will trust you
F#m E
For you've touched her perfect body with your mind.

Verse 2

E
And Jesus was a sailor
E
when he walked upon the water
F#m
And he spent a long time watching
F#m
From his lonely wooden tower
E
And when he knew for certain
E
Only drowning men could see him
G#m
He said "All men will be sailors then
A
Un-til the sea shall free them"
E
But he himself was broken
F#m
Long before the sky would open
E
For-saken, almost human
F#m
He sank beneath your wisdom
E
like a stone
G#m
And you want to travel with him
A
And you want to travel blind
E
And you think maybe you'll trust him
F#m E
For he's touched your perfect body with his mind.

Verse 3

```
     E
Now Suzanne takes your hand and
      E
she leads you to the river
       F#m
She is wearing rags and feathers
     F#m
From Salvation Army counters
         E
And the sun pours down like honey
       E
On our lady of the harbour
        G#m
And she shows you where to look
          A
Among the garbage and the flowers
          E
There are heroes in the seaweed
          F#m
There are children in the morning
         E
They are leaning out for love
          F#m
And they will lean that way forever
       E
While Suzanne holds the mirror
        G#m
And you want to travel with her
        A
And you want to travel blind
        E

Capo: 3

Very slow song
In verses, each chord is only strummed/picked once
When guitar is played, then mainly on the 3 or 4 lower strings

Verse 1 (only piano)

```
Em                  Am    - Em~
   My lover's got humour
                        Am   -   G~
She's the giggle at a funeral
                         Am   -  Em~
Knows everybody's disapproval
                              Am   -  Em~
I should've worshipped her sooner
                       Am    -   Em~
If the heavens ever did speak
                       Am    -    G~
She's the last true mouthpiece
                        Am    -   Em~
Every Sunday's getting more bleak
                  Am   -    D~
A fresh poison each week
We were born sick,
C~
  you heard them say it
```

Verse 2 (+drums & bass)

She tells me, "Worship in the bedroom"
                          Am   -  Em~
The only heaven I'll be sent to
                       Am   -   D~
Is when I'm alone with you
I was born sick,
C~
   but I love it
C~                    ./.
   Command me to be well
           G~          C   -  G~

The lion sleeps tonight — Solomon Linda, Miriam Makeba, ...

[Die Idee zum Lied kam dem Afrikaner Solomon Linda bei der Verfolgung von Löwen, die Rinderherden angegriffen hatten. Unter dem Eindruck der Löwenverfolgung 1939 entstandenen Song als Mbube ('Löwe' in der Sprache isiZulu).
Allerdings handelte es sich bei Wimoweh um einen Börfehler vom Zulu-Wort 'Uyimbube' ('er ist ein Löwe'), das ähnlich ausgesprochen wird wie Wimoweh.]

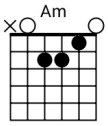
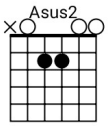
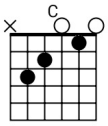
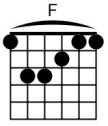
The sound of silence — Simon and Garfunkel

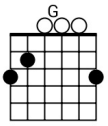
Capo: 6











Verse 1

Asus2 (002200) [picking on 3 high strings]
Asus2 G
Hello darkness, my old friend,
G Asus2
I've come to talk with you a-gain,
Asus2 F C
Because a vision softly-y creep-ing,
C Am F C
Left it's seeds while I wa-as sleep-ing,
C F F/C
And the vision that was planted in my
C Am
brain - still re-mains
C G Asus2
Within the sound of silence.

Verse 2

Asus2 G
In restless dreams I walked a-lone
G Asus2
Narrow streets of cobble-stone,
Asus2 F C
'Neath the halo of a-a street lamp,
C Am F C
I turned my collar to the cold and damp
C F F/C
When my eyes were stabbed by the flash of a neon
C Am
light - that split the night
C G Asus2
And touched the sound of silence.

Verse 3

Asus2 G
And in the naked light I saw
G Asus2
Ten thousand people, maybe more.
Asus2 C F C
People talking with-out speak-ing,
C Am F C
People hearing with-out listen-ing,
C F F/C
People writing songs that voices never
C Am
share - And no one dare
C G Asus2
Disturb the sound of silence.

Verse 4

Asus2 G
Fools said i, you do not know
G Asus2
Silence like a cancer grows.
Asus2 F C
Hear my words that I mi-ight teach you,
C Am F C
Take my arms that I mi-ight reach you.
C F F/C
But my words like silent raindrops
C Am
fell, - and
C G Asus2
echoed in the wells of silence

Verse 5

```
Asus2                      G
 And the people bowed and prayed
G                     Asus2
To the neon God they made.
Asus2    C                  F          C
 And the sign flashed out i-it's warn-ing,
C       Am                 F        C
 In the words that it wa-as form-ing.
C          F               F             F/C
  And the sign said, the words of the prophets
     Am                     G
Are written on the subway walls
                Am
And tenement halls.
    C                  G          Asus2   Asus2
And whispered in the sounds of silence.

When you're riding sixteen hours and there's nothing much to do
        A                                        A

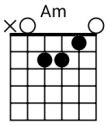
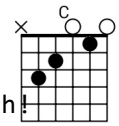
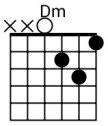
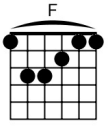
Verdammt ich lieb dich — Matthias Reim

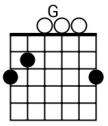
Capo: 2











Verse 1 (langsam)

Am
Ich ziehe durch die Straßen bis nach Mitternacht,
G Am
hab das früher auch gern gemacht, dich brauch ich,... dafür nicht!
Am
Ich sitze am Tresen, trinke noch 'n Bier,
G Am
früher war'n wir oft gemeinsam hier, das macht mir, macht mir nichts!
C G
Gegenüber sitzt 'n Typ wie'n Bär, ich stell' mir vor, wenn das dein Neuer wär',
Am G Am
Das juckt mich, ... überhaupt nicht.
C G
Auf einmal packt's mich, ich geh auf ihn zu und mach ihn an, lass meine Frau in Ruh!
Am G Am
Er fragt nur:... Hast du'n Stich?
F G
Und ich denke schon wieder nur an dich...

Chrous (schnell)

C G
Verdammt, ich lieb' dich, ich lieb' dich nicht.
Dm Am G
Verdammt, ich brauch' dich, brauch' dich nicht.
C G
Verdammt, ich will dich, ich will dich nicht,
F Am
Ich will dich nicht verlier'n!
C G
Verdammt, ich lieb' dich, ich lieb' dich nicht.
Dm Am G
Verdammt, ich brauch' dich, brauch' dich nicht.
C G
Verdammt, ich will dich, ich will dich nicht,
F Am
Ich will dich nicht verlier'n!

Verse 2

Am
So langsam fällt mir alles wieder ein:
G Am
Ich wollt doch nur'n bisschen freier sein. Jetzt bin ich's,... oder nicht?
Am
Ich passte nicht in deine heile Welt,
G Am
doch die und du ist, was mir jetzt so fehlt, ich glaub das,.. einfach nicht.
C G
Gegenüber steht 'n Telefon, es lacht mich ständig an voll Hohn,
Am G Am
Es klingelt, klingelt aber nicht.
C G
Sieben Bier, zuviel geraucht, das ist es, was ein Mann so braucht,
Am G Am
Doch niemand, niemand sagt: "Hör auf".
F G
Und ich denke schon wieder nur an dich...

Chorus

C G
Verdammt, ich lieb' dich, ich lieb' dich nicht.
Dm Am G
Verdammt, ich brauch' dich, brauch' dich nicht.
C G
Verdammt, ich will dich, ich will dich nicht,
F Am
Ich will dich nicht verlier'n!
C G

Du sagst, er wohnt ab jetzt bei dir, und zeigst nur stumm auf die Ausgangstür.
Was soll das? Was soll das?
Du kochst gerade sein Leibgericht, meine Faust will unbedingt in sein Gesicht.

Von Verlegenheit überhaupt keine Spur, er ist nun mal eine Frohnatur.
Er grinst nur! Er grinst nur!

Verse 1

```
Am7                      Cmaj7/G
  I watch the news this morning
                        Em9
  Another town has fallen
                               G
  The people still are fighting
Am7                       Cmaj7/G
  Their stories told in pictures
                          Em9
  But nothing e-ver changes
                               G
  So what's the point in trying?
```

Pre-Chorus 1

```
                 Am7                Cmaj7/G
  I dream of a da---y   when the walls come down
                 Em9                  G
  I hope for a ti---me   when the lost are found
                   Am7              Cmaj7/G
  We thought we had it all
               Em9                 D
  But the answe---rs    are still a world awa-y
```

Chorus

```
     Am7                      Cmaj7/G
  So what am I, what am I, what am I
                   Em9                  G
  What am I to do,   what am I to do- now?
     Am7                      Cmaj7/G
  So what am I, what am I, what am I
                               G              D
  When there's so much to lo---se now
```

Verse 2 (+drums)

```
Am7                           Cmaj7/G
  And so you're out there running
                        Em9
  Searching fo-r a shelter
                  G
  Only to meet nothing  that wants yo-u
Am7                        Cmaj7/G
  You swam across the waters
                               Em9
  And travelled through the deserts
                        G
  Trying to find a new home
```

Pre-Chorus 2

```
                 Am7                Cmaj7/G
  I dream of a da---y   when the walls come down
                 Em9                  G
  I hope for a ti---me   when the lost are found
                   Am7              Cmaj7/G
  We thought we had it a-ll
               Em9                 G
  But the answers    are still a world away
```

Chorus

```
     Am7                    Cmaj7/G
  So what am I, what am I, what am I
                Em9                    G
  What am I to do---,   what am I to do--  now?
     Am7                    Cmaj7/G
  So what am I, what am I, what am I
                               G        D
  When there's so much to lo--se now
```

Bridge (quietly)

```
     Am7                     Cmaj7/G
  We try to sympathize  with different walks of li-fe
      Em9                     G
  The some that are denied  every human right
     Am7                    Cmaj7/G
  But it's so far awa---y
                          Em9         D
  It's easy to lose that  feeling
```

Pre-Chorus 3 (still quietly)

```
              Am7               Cmaj7/G
  But what am I--- supposed to do-------,
             Em9          G
  supposed to do- - - - - -
                Am7                Cmaj7/G
  What am I supposed to do

             Em9               D
             Tell me, tell me,  tell me, tell me!
(Supposed to do)
```

Chorus (all)

```
     Am7                    Cmaj7/G
  So what am I, what am I, what am I

Verse

```
G                    D
    It's late in the evening
C                       D
    She's wondering what clothes to wear
G                    D
    She puts on her make up
C                    D
    And brushes her long blonde hair
C                  D
    And then she asks me
G                  Em
    Do I look alright?
               C              D             G
    And I say yes, you look wonderful tonight
```

Chorus (Instr.)

Riff x 1

Verses

```
G          D
   We go a party
C               D
   And everyone turns to see
G                D
   This beautiful lady
C              D
   Is walking around with me
C               D
   And then she asks me
G                Em
   Do you feel alright?
            C             D            G

D          C
   I feel wonderful
       D               G         D       Em
   Because I see the love light in your eyes
            C            D
   And the wonder of it all
              C               D
   Is that you just don't realize
              G
   How much I love you
```

Chorus (Instr.)

Riff x 2

Verse

```
G                D
   It's time to go home now
C                D
   And I've got an aching head
G                 D
   So I give her the car keys
C                  D
   And she helps me to bed
C              D
   And then I tell her
G                  Em
   As I turn out the light
             C                D           G

Strophe 1

```
          G                C           G              D - G
Manchmal geh ich meine Straße ohne Blick,

Manchmal wünsch ich mir mein Schaukelpferd zurück,
          Am            G          Em                    Em
Manchmal bin ich ohne Rast und Ruh,
             D              Am              Bm           D - G
Manchmal schließ ich alle Türen nach mir zu.
          G                C         G                   D - G
Manchmal ist mir kalt und manchmal heiß,
          G                      F         D             D

          Am                G       Em                   Em

Siebenmal wirst du die Asche sein,

Strophe 2

```
          G                  C                  G      D - G
